WSBBA Bull Riders,

Welcome to the 2016 season for the Western States Bucking Bull Association! Burns Saddlery and the WSBBA are teaming up again to offer great rewards to bull riders competing in the WSBBA. This year we will have the Burns Saddlery Bull Rider Standings with the grand prize a custom western saddle that will be presented to the champion bull rider at the WSBBA finals in Las Vegas, NV.

Bull riders who attend WSBBA events will be rewarded not only for qualified rides, but also for coming to this year's events. All bull riders entering the event will receive 50 points whether or not they have a qualified ride. If a bull rider has a qualified ride, they will receive the points they were scored in addition to their 50 attendance points. If a bull rider has more than one qualified ride at a single event, the bull rider will take the highest marked ride in addition to the 50 attendance points. In the event of a tie in standings, the total money won at WSBBA events will be the tie breaker.

In addition to the custom saddle for the year-end champion bull rider, the WSBBA will give awards to at least the bull riders taking 2nd and 3rd places, and each individual event has large cash payouts for winning riders. Entering WSBBA events is a great opportunity for you as a bull rider to get on some of the best bulls in the Western United States.

To enter WSBBA events, either work with a contractor to be mounted on his bull (contractors can pick riders to get on when sending in their bull entries), or call the central entry number by the rider entry deadlines listed below. If no one answers, leave a message with all your information and willingness for more than one bull and we will call you back.

Rider entry fees are \$50 CASH per bull per event. Please check the schedule for bull rider check-in time for each event. They may vary from event to event. *Also, please contact the WSBBA if you cannot make an event you are entered in. Failure to do so may get you on the bad list.*

Central Entry phone number 208-644-1260. (Jeff Rupert)

**Event Date -Town ~ Bull rider entry closing date**  
**April 16, 2016- Mesquite, Nevada ~ Monday April 11**
