

Richfield, UT - 8/27/2016

***Attention: All contractors and
WSBBA members***

The WSBBA will be testing bulls for performance enhancing substances at Richfield, UT's event. Testing will take place Saturday at 2:00 p.m. for animals bucking in the morning performance. Testing on the rider bulls will immediately follow the afternoon performance. Any bull that is chosen to be tested cannot leave the facility until testing is complete.

All winnings will be mailed to contractors once all blood sample results have been completed and returned to the WSBBA (approximately 5-7 days after the event). Should a bull test positive for a performing enhancing substance, all winnings and entry fees for owner/owners, or any individual associated with positive testing bull will be surrendered. Any contractor associated with any bull testing positive will be suspended from the WSBBA for 2 years and required to pay a \$2,500.00 first offense fine before entering another WSBBA event. Second offense contractor and all associated will be suspended indefinitely.

One random bull from each class will be tested in addition to the top winning bulls based on number of entries (no more than 5, no less than 2).

Thank you for cooperation.
